

RECYCLED PARTS REQUEST

For your convenience, these forms were developed to improve communication between collision repair facilities and recyclers. Use the following forms to identify the recycled parts and sections needed.

Directions For Using Form

1. Use this document as a master and copy needed page/s.
2. Fill out: To, From, Contact Persons, Phone/Fax, Date.
3. Write in the vehicle year, make, and model.
4. Write in the vehicle identification number (VIN) and build date.
5. Check the body style box.
6. Check the boxes for engine size and type.
7. Use the diagrams to circle the exact section required. Use lines to mark the location of cuts on the side, top, and bottom views.
8. Check all major options and parts required boxes.
9. Write in any additional parts that are required.
